From the Art Camp Director

I am very excited about this opportunity to work with your child. My goal is for each young person to leave feeling good about themselves and what they produce. Our camp will be divided into sessions. In dividing the children by ages I feel I will better be able to address their talent levels. Remember all children can draw and paint--all children are creative-- we as adults simply have to open that door for them.

Hope to see you at Art Camp.
