

## RESIDENTIAL WASTE COLLECTION

One (1) mobile cart shall be issued to each single-family household in the town. A monthly garbage service fee shall be charged for the first cart included in the monthly utility bill of the residence. Additional roll carts shall be billed a monthly rate. Failure to pay the prescribed garbage service fee will result in the termination of collection service by the town. The mobile cart will remain the property of the town for use of the household to which it is issued. Residents who damage mobile carts issued to them must pay for repairing the carts or purchase replacement carts from the town. Repair cost will represent the total cost of materials and labor in effect at the time of repair. The purchase price for replacement of a cart will be the actual cost of the cart to the town. Carts that are damaged as the result of being emptied by town personnel shall be repaired or replaced at the town's expense. Collection will be suspended at any location at which a cart is missing or at which a cart is damaged to such an extent as to interfere with normal collection methods. If a cart is stolen, it is the responsibility of the resident to purchase a new cart. When the useful life of the original cart has expired as determined by the Utility Director, it will be replaced at no charge to the resident. Mobile carts are to be placed within 3 feet of the curbside with lid opening facing the street. Place cart out by 7:00 a.m. on the day of collection or the evening before and removed by 9:00 p.m. on the day of collection. If cart(s) are not out for collection when the truck comes by, your garbage will not be collected until the following week. **ONLY TOWN ISSUED CARTS WILL BE EMPTIED!**

## SHRUBBERY TRIMMINGS AND LIMBS
