**January 24, 2023**

The Town of Prosperity advises THE RESIDENTS OF Dewalt Street, and Businesses located at 121 North Main Street to 150 South Main and residents from 102 McNary Street to Rescue Squad Building at corner of McNary and Broad Street, Prosperity, SC, located in Newberry County, to vigorously boil their water for at least one (1) full minute prior to drinking or cooking.

A major line break in the Water System has resulted in a loss of pressure and service to many of the customers of the system. There has been no confirmed contamination of the system. However, because of the loss of pressure, customers are advised to vigorously boil their water for at least one (1) full minute prior to drinking or cooking until otherwise notified by the Town of Prosperity. Also, any ice made from water, which has not been boiled, should not be used for drinking purposes.

The Town of Prosperity Water Department is presently working to correct the problem.

If you should have any questions concerning this Notice, you may call the Town of Prosperity at 803-364-2622.
